Greetings City family,

For the last seven and half years I have worked in constituent services for Council District 15 as the Manager of City Services, trying daily to improve quality of life for the communities which I serve. It has been such a challenging yet incredibly rewarding job, one which I looked forward to everyday.

Part of what made it so great was getting to work with the amazing LA City family! Which is why I'm so excited to announce I won't be going far, but I have accepted a job with the City Attorney's office, as the Community Resource Specialist for South Bureau. Working for the Neighborhood Prosecutors Program.

It has been my honor to work along side you, an experience for which I am truly grateful. You have taught me so much about this great City and really helped to shape the person I have become. I'm sure I will cross paths with many of you in this new capacity. I am looking forward to new challenges and opportunities to grow.

Moving forward, please direct all constituent services concerns to the respective field deputies:

For district wide issues, please contact our Deputy Chief of Staff Jacob Haik, [jacob.haik@lacity.org](mailto:jacob.haik@lacity.org).

That you all very much, have a Merry Christmas and Happy New Year!
